

love what you do

January 5, 2023

As I'm sure you're experiencing, inflationary, labor and supply chain impacts to many aspects of business are continuing. To help offset some of these impacts, on April 3, 2023 we will be implementing a **price increase of 2.5%** (exceptions below).

- 9% on Broadway, Classmate, Flux Open Plan SKUs (see list below), Finale, Olympian, Strata
- 5% on Addison, Avalon, Cabaret, Class Act, Collective Conference, Collective Motion, Collective Presentation, Encore, Esque, Laurel, Lincoln, Melrose, Murphy, Portrait, Tara, Tyler, Walden, Wellington, and on all Height Adjustable Units in any series

****Some pricing adjustments (both up and down) were made on miscellaneous general electrical components and Vision modular components****

Orders + Quotes

This price increase is effective for orders placed on and after April 3, 2023. All orders placed by March 31, must ship by August 7 in order to receive current pricing. Orders received on or after April 3 or with a ship date beyond August 7 will receive new pricing. If an order has a requested delivery date falling beyond this window, our Order Services team will apply this price increase unless approved by a Regional Sales Manager, even if the order is placed prior to April 3. Projects we are currently quoting are valid until Mar 31. If we are notified the order will be placed after April 3, we will quote new pricing. Those quotes are valid for 60 days.

Contracts

GSA, State and Cooperative Contracts will be reviewed, and requests for increases submitted in accordance of the terms of each contract. Communication will be made as the requests are approved and new pricing effective dates are known

Specification + eTools

New pricing will be available for use on the 2020 Technologies website mid-March, and will be published on their March DVD. CET and JSI website price lists and typicals will go live on April 3.

We apologize for inconveniences this may cause and want to assure you that we continue to do all we can to offset cost increases. Thank you for your understanding as we continue to focus on bringing you amazing furniture solutions that inspire people to #lovewhatyoudo.

Discontinued Series

The series listed below will be discontinued with the April 3 price increase. Please contact your JSI sales or customer service representative with any concerns or questions about replacement options.
